### *The Birth of the Brief—a note from the Editor.*

Hi All.

This is the first issue of the “Brief” - a short newsletter that I will publish each month. The aim of this missive is to keep everybody in touch with what is happening (and hopefully make more things happen!!). It will include any important items and news from the monthly meeting, what has been updated or added to our website, updates on events and other bits and pieces like “Buy, Swap and Sell”. Other items like trip reports and calendars, etc will be available on the website (which hopefully will be upgraded soon).

As usual any suggestions, articles please don’t hesitate to contact me.

*Steve Aicher*

### From the Meeting— 7th April 2010

**Club Membership – 35**

**Training (Wayne) - chainsaw course** scheduled for 29/30 May, at this stage as only one applicant, maybe postponed. Any one who has completed course welcome to do a refresher (contact Wayne)

**Social (Bronco) — annual dinner** to be held on Saturday 19th June. Venue to be decided. Xmas Breakup to be held on Saturday 4th December.

**Blue Light Wander**—unfortunately due to having only one entrant and other events on the same weekend (Winch Challenge etc) it was decided to cancel the Wander. Due to a few members having all ready made arrangements to be available it was decided to make the weekend a Social Club gathering (see below)

**NOTE:** Club secretary required. Must be Vic Police employee. Contact President Rob if you can help.

### Upcoming Trips

#### Blackwood/Wombat State Forest—30/4 to 2/5/10

Due to the cancellation of the BLW a club social weekend is to be held. This will be an informal event and will include a drive around some of the Wombat State Forest and/or Lerderderg State Park on the Saturday. Accommodation will be at the Blackwood Caravan Park, which has all standard caravan park facilities. Some members will be arriving on Friday and staying until Sunday but you are welcome to come for Saturday night only or even a day trip (its only a bit over an hour from Melbourne). A great chance for those members who have not been to an club event to meet other members and maybe plan a few trips while sitting around the fire.

### Better than a Flu Shot!

Miss Beatrice, the church organist, was in her eighties and had never been married. She was admired for her sweetness and kindness to all. One afternoon the pastor came to call on her and she showed him into her quaint sitting room. She invited him to have a seat while she prepared tea. As he sat facing her old Hammond organ, the young minister noticed a cute glass bowl sitting on top of it. The bowl was filled with water, and in the water floated, of all things, a condom!

When she returned with tea and scones, they began to chat.. The pastor tried to stifle his curiosity about the bowl of water and its strange floater, but soon it got the better of him and he could no longer resist. 'Miss Beatrice', he said, 'I wonder if you would tell me about this?' pointing to the bowl. 'Oh, yes,' she replied, 'Isn't it wonderful?'

I was walking through the park a few months ago and found this little package on the ground. The directions said to place it on the organ, keep it wet and that it would prevent the spread of disease.

'Do you know I haven't had the flu all winter.'
