Xmas Break Up

With the threat of rain (but none eventuating strangely) the 2010 Club Xmas Breakup got under way at Blackwood Springs. A fantastic breakfast of sausages, eggs, bacon, juice and pancakes was cooked up by the Social Committee. A great turnout from club members with only a few apologies. After breakfast and our December club meeting, we packed up and headed for the tracks. Unfortunately most tracks were closed due to the wet conditions so we finished the day with a pleasant but short drive around Wombat. Still a great day to finish off 2010.

Many thanks once more to Bronco, Ray and the two Lorraines for arranging the day and cooking up a great brekky (also thanks to Eddie for his special pancakes). Looking forward to 2011.

Little Known Christmas Fact

Not long ago and far away, Santa was getting ready for his annual trip...but there were problems everywhere.

Four of his elves were sick, and the trainee elves did not produce the toys as fast as the regular ones so Santa was beginning to feel the pressure of being behind schedule.

Then Mrs. Claus told Santa that her mom was coming to visit. This stressed Santa even more. When he went to harness the reindeer, he found that three of them were about to give birth and two had jumped the fence and were out, heaven knows where. More Stress. Then when he began to load the sleigh, one of the boards cracked and the toy bag fell to the ground and scattered the toys. So, frustrated, Santa went into the house for a cup of coffee and a shot of whiskey. When he went to the cupboard, he found the elves had hidden the liquor and there was nothing to drink. In his frustration, he dropped the coffee pot and it broke into hundreds of little pieces all over the kitchen floor.

He went to get the broom and found that mice had eaten the straw it was made from.

Just then the doorbell rang and Santa cursed on his way to the door. He opened the door and there was a little angel with a great big Christmas tree. The angel said: "Where would you like to put this tree Santa?"

And that my friends, is how the little angel came to be on top of the Christmas tree.
